

Game of Thrones — Sample Document

A fictional study document for testing PDF/document loaders, text splitting, embeddings, and RAG pipelines.

1. Series Overview

Game of Thrones is a fantasy television series set primarily on the fictional continents of Westeros and Essos. The story follows several noble families, political alliances, military conflicts, and characters competing for power.

2. Major Houses

House Stark

Associated with Winterfell and the North. The Stark family is known for its emphasis on loyalty, family, and honor.

House Lannister

A powerful family based at Casterly Rock. The family is closely connected with wealth, political influence, and the Iron Throne.

House Targaryen

A former ruling dynasty associated with dragons and a long history of rule over Westeros.

House Baratheon

A prominent Westerosi house whose members become central to the political struggle for the Iron Throne.

3. Important Locations

Winterfell

The ancestral castle of House Stark and an important political center in the North.

King's Landing

The capital city of Westeros and the location of the Iron Throne.

The Wall

A massive defensive structure separating the Seven Kingdoms from the lands to the north.

Dragonstone

An island fortress with strong historical ties to House Targaryen.

Meereen

A major city in Slaver's Bay that becomes important during the story in Essos.

4. Key Themes

The series explores power, loyalty, family, ambition, betrayal, leadership, war, political alliances, and the consequences of difficult decisions.

5. Sample RAG Questions

- Which house is associated with Winterfell?
- What is the significance of King's Landing?
- Which house is associated with dragons?
- What separates the Seven Kingdoms from the lands to the north?
- What themes are explored throughout the series?
